English: G1-3

Course Description

In this course, students will learn how to read fluently at their grade level, use sources of information and prior knowledge to make meaning, and use developmentally appropriate reading, listening, and viewing strategies to deepen their understanding of the text. They will learn how to exchange ideas and perspectives to build shared understanding and plan and create a variety of communication forms for different purposes and audiences.

Learning Outcomes

- Develop ability to create and communicate stories and other texts that deepen awareness of self, family and community
- Gain deeper understanding of the power of storytelling and how it connects people to their culture and community
- Learn to communicate using sentences and most conventions of Canadian spelling, grammar, and punctuation.

Course Outline

- Unit 1 – Vocabulary and Spelling
- Unit 2 – Reading and Grammar
- Unit 3 – Writing
- Unit 4 – Speaking
- Unit 5 – Oral Storytelling
- Unit 6 – End-of-Course Project and Assessment

604-447-8028

English: G4-7

Course Description

In this course, students will learn how to access and integrate information and ideas from a variety of sources, including prior knowledge, to build a deeper understanding of the text. The course will also encourage students to respond to text in personal and creative ways. They will recognize how literary elements, techniques, and devices enhance meaning in texts and demonstrate an increasing understanding of the role of organization in meaning.

Learning Outcomes

- Strong comprehension and connection skills
- Ability to create and communicate original texts using a variety of modes and mediums
- Gain deeper understanding of themselves and their community through the power of reading, listening, viewing and communication

Course Outline

- Unit 1 – Vocabulary and Spelling
- Unit 2 – Reading and Grammar
- Unit 3 – Writing
- Unit 4 – Speaking
- Unit 5 – Creative Writing and Oral Presentation
- Unit 6 – End-of-Course Project and Assessment
